Dear John,

I would like to express my appreciation for the prompt and professional service we received from your company.

I was truly amazed from the time that I made a phone call, to accepting the proof and receiving the actual cheques it was approximately 3 days. (For 3 separate accounts!). We were in a real panic for one of the accounts since our old supplier once again let us down. Thanks to Cheque Print Solutions everything worked out great.

I will personally recommend your company and look forward to dealing with you again.

Respectfully submitted.
