Dear John,

Our new cheque design is a hit!

We've had some positive comments on the new look from vendors, staff and bank personnel.

I wanted to thank you personally for your perseverance with our background colors and logo as it proved to be a bit of a challenge in order to meet the new bank standards. Your patience with my many questions and dedication to providing a pleasing and professional look were very much appreciated.

I look forward to working with you again in the future.

Sincerely,
